1. Use other than in an environment which has been approved for installation of Königstone products.
2. Chipping of edges by rubbing or impact.
3. Excessive heat from objects placed on it.
4. Repetitive chopping and cutting in the same spot.
5. Chemical attack by accidental spillage or unauthorised application.
6. By usage exceeding the technical specifications of the product

Any type of damage caused by action or work by third parties unrelated to Königstone.

Damage caused by movement in the structure or furniture either intentional or otherwise.

Differences between samples or photographs of the Königstone products and the actual product purchased.

Inclusions of odd speck colour chips which are an unavoidable part of the manufacturing process of Königstone products.

Damage to surrounding finishes and infrastructure as a result of replacement of Königstone products, including but not limited to paintwork, plasterwork, wallpaper and general décor.

Any plumbing or electrical work required for replacement.

Repair of dilapidated furniture exposed by replacement.

Natural disasters or damage caused by interaction with other products beyond the control of Königstone Ltd.

### **Terms and Conditions**

The warranty will only be valid if proof of purchase from an approved Königstone dealer is provided.

The product has been installed by or on behalf of a dealer approved by Königstone.

The warranty is subject to strict observance of the care guide and usage of the product details of which are available on request.

This warranty cannot be transferred and is limited to the original purchaser and installation address.

Königstone reserves the right not to honour the warranty if these requirements are not satisfied.

Nothing in this warranty limits your statutory rights as a purchaser of Königstone products.
